

How to Distinguish Wheaton, I-Share, and ILLiad Items

Wheaton College items have “Wheaton College” on the barcode (if a book, the barcode is located inside the back cover).

I-Share items contain a slip with the item’s title and barcode and borrower’s name.

ILLiad items have a sticker that says “Wheaton College Interlibrary Loan,” a TN number, and a due date.

I-Share and ILLiad items may also have bookmark from the circulation desk tucked inside.
